HOW TO REACH US:

By train:

1) From Bonn Hbf, follow the sign in the unter-pass to the back-exit called “Quantiusstraße”. From there it takes 12 minutes on foot.
2) Alternatively, from Bonn Hbf, you can also take the public transports at the bus station right in front of the main entrance of the HBF. From the A1 bus platform you can take the following: Bus 601-602-603, take off at the stop called “Am Botanischen Garten, Bonn - Poppelsdorf” (4\textsuperscript{th} stop), which is 1 minute walk from our Institute.

- N.601 (Richtung: Venusberg-Uniklinikum)
- N. 602 (Richtung: Waldau)
- N. 603 (Richtung: Röttgen)
By car:

If you come by car, you can park in the streets around our Institute, but you need a parking pass, which we have here at the Institute. Therefore, please just let one of us know when you arrive in front of our Institute and we can arrange to give you the pass (unfortunately we do not have a version you can print beforehand). Also, please note that the best places to find parking are typically along Katzenburgweg (about halfway done, on the righthand side, which is reserved for passholders) and on Nussallee.
